BISBEE NEWS

Daily Happenings at Great Copper Camp.

Budget of Interesting from our Regular Correspondent.

BISBEE, August 22, 1896

J. T. Betton, who has been employed by the company for some time, left for his home in New Mexico morning.

Mr. Allie Sowl and **Mr. James B. ley** returned from their vacation Ramsey canyon yesterday. They designs, much better from the change and ing and think they are good another stretch of work. They tainly do not look like persons li to be bothered with a Bisbee fever.

The farewell reception and de tendered to **Mr. Fred Sutter** by numerous friends Friday evening one of the most pleasant gathering has ever been our fortune to atte Nothing was omitted by the comtee that could possibly add to pleasures of the evening; and the thoughts of the care and pains taken by them in their preparations, as well as the sight of the many familiar faces gathered to bid him farewell and to wish him joy and success in his future undertakings, must have been very gratifying to the young gentleman. **Mr. Theo. Divine**, who had been selected to act as director of the literary portion of the evening's entertainment, opened with a few appropriate remarks and then presented **Mr. S. A. D. Upton** who delivered a farewell address to **Mr. Sutter** on behalf of his many friends in Bisbee. **Mr. Upton's** remarks were exceptionally well chosen and, if our young friend is blessed with one-tenth of the good fortune and success wished him, he will indeed be fortunate. **Mr. Sutter** responded in a very able manner, thanking his friends for the many courtesies and kindnesses shown him during his residence in Bisbee, and expressing an earnest wish that his future walks in life might enable him to have the pleasure of again mingling with his many friends here. **After Mr. Sutter's** remarks a number of pleasing recitations, songs, etc., were delivered by a number of the younger folks and were greeted with a most liberal applause. The ladies' feature of the evening, the luncheon, was the next in order. Covers were laid for about fifty couples, and the luncheon was carried through in the manner for which our ladies are justly noted and was thoroughly enjoyed by all. The floor was then cleared for dancing which was only cut short by the early hours, which seemed to come altogether too soon. Taken all in all it was a most enjoyable affair from start to finish and one which will probably be long remembered by our young friend even when amid other scenes and pleasures.

Our gift-friends who are trying to edit an insignificant little paper known as the Bisbee Orb have unwittingly made several disparaging allusions to us in their last issue. We will not refer to them today as we do not desire to cast a shadow on the account of the late well party of **Mr. Sutter** which appears above. It would probably be in order to pass their ravings by altogether, as the howls of such "small fry" are not generally noticed but are attributed to ignorance and pushed to one side. We desire a word on one or two points however and will do a little talking on the subject about tomorrow.

Marvelous Moonies.

From a letter written by **Rev. J. Gundersen**, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending **Dr. King's New Discovery**, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little intermission and it seemed as if she could not survive them. A friend recommended **Dr. King's New Discovery**; it was quick in its work and highly satisfactory in results." Trial bottles free at Tombstone and any Drug Store. Regular size 50c. 60c.
